

AI creative review workbook

Compare 3 options, finish 1 and save a clearer rule for the next brief.

Set the job and 5 observable standards before you compare the options.
Keep untouched versions. Use references for qualities you may learn from, not material to copy.

AI creative review workbook

Compare 3 options, finish 1 and save a clearer rule for the next brief.

Compare the same 3 options against the same standards. Record what each option gains and gives up.

A score helps compare options. It does not override facts, rights, privacy, brand rules or human approval.

OPTION A

NAME AND FILE OR LINK

SHORT DESCRIPTION

WHAT IT GETS RIGHT

WHERE IT FAILS

WHAT IT GAINS AND GIVES UP

OPTION B

SCORE EACH OPTION AGAINST THE 5 STANDARDS

0 misses / 1 partly / 2 passes

STANDARD	OPTION A	OPTION B	OPTION C
Standard 1			
Standard 2			
Standard 3			
Standard 4			
Standard 5			
MANUAL TOTAL, 0-10			

HARD STOPS FOR THE SELECTED OPTION

Unsupported factual claim

Permission to use material is unclear

Private material not approved

Broken brand rule

Missing approval owner

IF ANY STOP IS MARKED, RECORD WHAT MUST CHANGE

SELECTED OPTION

WRITTEN REASON: WHY THIS OPTION FITS THE JOB AND WHY THE OTHER 2 DO NOT

The written reason controls the decision. The highest total does not override a hard stop.
