

Claude document-work test

Use 3 files you know. Check 5 claims. Compare the result fairly with another tool.

1 Prepare 3 files

Use short files you know well. Keep the same set for every tool.

WHY THESE FILES BELONG TOGETHER

FAIR TEST RULE

Use the same files, comparison question, 5 claim checks and time limit with another tool. Compare the evidence, not the tone.

2 Compare and verify

Ask what changed, where the files conflict and what remains unanswered.
